

Lady Niners Golf Club
Kari Armstrong Mentoring Spirit Award
Established July 2014

NOMINATION FORM

The Lady Niners Golf Club has instituted "The Kari Armstrong Mentoring Spirit Award" as a result of a donation from Trish Miller, Kari's Mother, who expressed her desire to do something special for our Club and to help memorialize Kari.

The purpose of the award, as expressed by Trish Miller, is to recognize the benefit Kari enjoyed from the formal Lady Niner sponsorship program in place, as well as to motivate others to be informal mentors as Kari was to many of her fellow members.

Nominees can be known for offering themselves as supportive encouragers or demonstrating positive behaviors on and off the course.
